Odin Crisis Support

Serving a global community, Odin Enterprises uses our in-house expertise, industry partnerships, and best-in-class intelligence tools to respond to a broad array of critical incidents. **Odin Crisis Support** provides critical decision support in the management of and response to crisis events and the applicable consequence management strategies required post incident.

“The lessons we share are based on our responses to real-life crises”

Odin Crisis Support for each client is managed based on each client's unique industry, personnel, and critical infrastructure vulnerabilities. Odin offers a one stop shop for providing immediate advice, employee support and crisis communication guidance needed to help your organization minimize the devastating impact a mismanaged crisis can have on your business and reputation.

Benefits

Intelligence monitoring of the crisis and public reaction

Team of experts ready to provide advice
